

# THE EZ SPA EZ3

# SPA CARE KIT

**EZ SPA®** is a water care program that combines simplicity and incredible water quality in a once-a-week application. This program manages spa water while eliminating the confusion of adding multiple chemicals every other day. **START** prepares the fill water by removing phosphates, metal and debris. **E-Z BOOST** sanitizes the water while **TOTAL CARE** contains a clarifier, stable oxidizer, scale inhibitor, water conditioner and balancers (pH, TA and CH) to keep spa water clean, clear and trouble free.

- Convenient and easy to use — just once-a-week!
- Superior water quality with less chemicals and testing!
- Formulated for chlorine, bromine, salt, ozone and mineral purifiers

## CONTAINS:

- START 8 oz
- E-Z BOOST 1 lb
- TOTAL CARE 1 lb
- 5-way test strips
- Measuring scoop

## The EZ SPA® Program

**IMPORTANT:** Start with fresh water (drain and refill) and a clean filter. Always test first then add products with spa water circulating and jets on. EZ SPA TOTAL CARE will manage the water balance however heavy bather loads and refill water can affect levels so we recommend testing monthly. For best results, circulate and filter the water at least 8 hours daily.

### BEFORE FILLING YOUR SPA

Have your water tested by an EZ SPA dealer so they can provide the right products to initially set water balance.

### STARTUP

1) Add **START** to remove metals, phosphates, scaling carbonates and organic debris.

2) Balance spa water as follows:

**Total Alkalinity 80-120 ppm | pH 7.2-7.6 | Calcium Hardness 300-400 ppm**

3) Add **E-Z BOOST** at a dosage of ½ oz per 100 gallons.

4) Add **TOTAL CARE** at a dosage of 1 oz per 100 gallons.

For spas using ozone, mineral purifiers or salt add ½ oz per 100 gallons.

5) After 12 hours rinse the cartridge filter.

### WEEKLY

1) Add **E-Z BOOST** at a dosage of ⅛ oz per 100 gallons.

2) Add **TOTAL CARE** at a dosage of 1 oz per 100 gallons.

For spas using ozone, mineral purifiers or salt add ½ oz per 100 gallons.

3) Rinse cartridge filter.
