E-Z Pool.[®] Your complete pro-active water care solution!

Instead of:

Six reasons why E-Z Pool[®] is simple water care in only minutes per week.

- 1) Algae-free guarantee
- 2) No more shocking
- 3) Crystal clear, oxygen rich, soft water
- 4) Pre-measured scoop; No guesswork
- 5) Swim immediately after treatment
- 6) Easiest weekly maintenance available

Weekly pool care in a bucket!

E-Z POOL[®] is a proprietary water care program that combines simplicity with incredible water quality in a once-a-week application.

This specially blended, multi-tasking formula manages swimming pool water while eliminating the confusion of adding multiple chemicals and testing every other day.

E-Z POOL contains a stable oxidizer, algae shield, clarifier, scale inhibitor, water conditioner and balancers (pH, Total Alkalinity, and Calcium Hardness) to keep swimming pool water clean, clear and trouble free. It provides a PROACTIVE water care program that PREVENTS problems instead of treating them on a REACTIVE basis after they occur.

E-Z POOL is compatible with chlorine, salt, bromine, UV and ozone as well as all traditional balancers and maintenance chemicals.

- Convenient and easy to use – just once-a-week
- Oxygen-enriched water promotes a pristine swimming environment
- Eliminates problems associated with harsh chemicals
- Less chemicals, less testing and less hassle
- No waiting to SWIM
- Provides the easiest, cleanest, and most convenient solution to swimming pool water care
